

Dear Sir or Madam,

For over ten years, the Geronimo and Alligator Creeks Watershed Partnership has been actively working to restore and protect water quality in the Geronimo and Alligator Creeks. This spring we are excited to be hosting the 8<sup>th</sup> Annual Geronimo and Alligator Creeks Cleanup Event, a watershed-wide effort to promote public awareness of water quality and environmental stewardship. Since the first stream cleanup event was held in 2013, more than 1,200 volunteers have removed over 17,000 pounds of trash from the roadways and creek banks in the area!

The impact of our work can continue to grow with support from our community partners. This year the Cleanup Event is scheduled for two days - April 17<sup>th</sup> and April 24<sup>th</sup>, and you have the opportunity to become part of this effort in several ways. You may participate by volunteering your time and energy as a worker (or a team of workers) removing litter from the designated locations, or by making a monetary donation which will be used to provide our volunteers with reusable shopping totes containing cleanup supplies and safety equipment. In return for your generous donation, we will promote your organization as an official sponsor of the 2021 Geronimo and Alligator Creeks Cleanup Event by printing the logo/name of your organization on our special shopping totes.

If you would like to help financially, the following tiers of sponsorship are available:

**Gold Level**    \$150 and more    *Logo/name on the shopping tote and Certificate of Appreciation*

**Silver Level**    \$50 to \$149    *Certificate of Appreciation*

Checks should be made payable to Guadalupe-Blanco River Authority, and mailed or delivered to 933 E. Court Street, Seguin, TX 78155, Attn. Elizabeth Edgerton. If you would like for your monetary donation to go towards specific items such as cleanup supplies or reusable shopping totes, please indicate this information in the memo line on your check. In order to ensure adequate time for the name/logo inclusions on the shopping totes, please let us know prior to Monday, March 8th of your intention to be a sponsor for the 2021 Geronimo and Alligator Creeks Cleanup Event.

If you are interested in becoming one of our official sponsors or would like to learn more, please contact Evgenia Spears at [evgenia@tamu.edu](mailto:evgenia@tamu.edu) or (979) 845-2862.

With your organization by our side, we are certain that the 2021 Geronimo and Alligator Creeks Cleanup Event will be a huge success!

We appreciate your time and business!

Thank you,

*Evgenia Spears*
