

## 2022 Geronimo and Alligator Creeks Fall Cleanup Event

October 22, 2022

9:30am – 12pm

### TRASH PICKUP INSTRUCTIONS

- Place only 'baggable' items in trash bags. Tires and parts of tires are NOT to be bagged.
- Tires must be brought to and placed near the dumpster. If you are not able to take tires to the dumpster location, please do not pick up tires at all.
- Leave any hazardous-looking materials alone and call or text at (706) 255-4749, if you encounter any. Do not handle them!
- Do not attempt to squeeze trash bags or compress them to make room for more trash. Injuries from broken or jagged objects can result.
- Take pictures of your cleanup site and workers and email them to [Geronimo.Alligator@ag.tamu.edu](mailto:Geronimo.Alligator@ag.tamu.edu) for use in newsletters, press releases, social media posts, and other materials. You can take before and after photos of the area in addition to the pictures of the trash bags that you filled in.

**For any problems/questions the day of the event: (706) 255-4749**
