

Dear Sir or Madam,

For over ten years, the Geronimo and Alligator Creeks Watershed Partnership has been working to restore and protect water quality in the Geronimo and Alligator Creeks. This spring, we are excited to be hosting the 10th Annual Geronimo and Alligator Creeks Cleanup Event, a watershed-wide effort to promote public awareness of water quality and environmental stewardship. Since the first stream cleanup event was held in 2013, we have removed over 23,000 pounds of trash from the roadways and creek banks in the area!

With your help, the impact of our work can continue to grow. This year, the Cleanup Event is scheduled for Saturday, April 22nd, and you can become part of this effort. You may participate by donating your time and energy as a volunteer (or team of volunteers) removing litter from the designated locations, or by making a monetary donation which will be used to provide our volunteers with breakfast and event t-shirts. In return for your generous donation, we will promote your organization as an official sponsor of the 2023 Geronimo and Alligator Creeks Cleanup Event by printing the logo/name of your organization on our promotional items.

If you would like to help financially, the following tiers of sponsorship are available:

Gold Level	\$150 and more	<i>Logo on promotional items and a Certificate of Appreciation</i>
Silver Level	\$50 to \$149	<i>Certificate of Appreciation</i>

Checks should be made payable to Guadalupe-Blanco River Authority, and mailed or delivered to 933 E. Court Street, Seguin, TX 78155 Attn. Elizabeth Edgerton. If you would like your monetary donation to go towards specific items, please indicate this information in the memo line on your check. To ensure adequate time for the name/logo inclusions, please let us know prior to March 13th of your intention to be a sponsor of the 2023 Geronimo and Alligator Creeks Cleanup Event.

If you are interested in becoming one of our official sponsors and would like to learn more, please contact Annalee Epps at annalee.epps@ag.tamu.edu or (979) 845-2862.

With your support, we are certain that the 2023 Geronimo and Alligator Creeks Cleanup Event will be a huge success!

Thank you,

Annalee Epps
