Low Impact Development Workshop

The Geronimo and Alligator Creeks Partnership

Invites you to participate in:

An informative program covering the design and function of various Low Impact Development (LID) structures and practices. The program will be a combination of classroom presentations and outdoor walking tours of LID structures and practices, such as a rain garden, two types of pervious pavement, a vegetated swale, rainwater harvesting, and more. In addition to the day of educational fun, door prizes will be given, **and lunch is provided** at no cost. Registration will begin at 8am, and the program will kick off at 8:30am.
